7 November, 2008

Dear Secretary

In accordance with Article 21(1) of the Waste Water Discharge (Authorisation) Regulations 2007, I am to inform you of the receipt by the Agency of a number of waste water discharge licence applications from various Water Services Authorities.

Details of the applications received are supplied on the accompanying attachment. Further details in relation to the applications can be obtained by viewing the relevant documentation using the Agency's website. The application documentation and associated correspondence in connection with any given application can be viewed by using the web address below and searching by the associated registration number (provided on the attached sheet).

<http://www.epa.ie/terminalfour/wwda2/index.jsp>

Note that National Grid reference and description of any waste water treatment plant associated with an application, and the location of the discharge point or points to which the application relates can be found on the electronic copies of the application forms.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 19 of the Regulations.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's decision on the application.

The Agency will write to you to inform you of its decision on the application in due course.

Yours sincerely,
