Application to the ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

Notice is hereby given in accordance with Articles 5 and 6 of the Waste Management (Licensing) Regulations 2004 (S.I. No. 395 of 2004) that Kerry Central Recycling Facility Ltd., Scart/Caherdean, Killarney, Co Kerry are applying to the Environmental Protection Agency for a Waste Licence within two weeks of this date in respect of the development of a new Materials Recovery Facility located in the townland of Scart/Caherdean, Killarney, Co. Kerry - National Grid Reference as follows: 93.543E, 99.651N. Kerry Central Recycling Facility Ltd. propose to construct (a) a Materials Recovery Facility (MRF) building, (b) an office building, (c) a Public Recycling Centre and (d) an internal access road and associated site works including foul and stormwater treatment systems, effluent collection for off-site treatment and landscaping. An annual intake of 95,000 tonnes per annum of non-hazardous waste is proposed. The Classes of Waste Disposal and Recovery Activities applied for as per the Third and Fourth Schedules of the Waste Management Acts, 1996 to 2008 are as follows:

- Class 11 - Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
- Class 12 - Repacking prior to submission to any activity referred to in a preceding paragraph of this Schedule.
- Class 13 - Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.

- Fourth Schedule
- Class 2 - Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).
- Class 3 - Recycling or reclamation of metals and metal compounds.
- Class 4 - Recycling or reclamation of other inorganic materials.

- Class 11 - Use of waste obtained from any activity referred to in a preceding paragraph of this Schedule.
- Class 12 - Exchange of waste for submission to any activity referred to in a preceding paragraph of this Schedule.
- Class 13 - Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.

The principle activity at the site will be Class 2 of the Fourth Schedule as detailed above. The application is accompanied by an Environmental Impact Statement (E.I.S.). The Waste Licence Application and EIS will be submitted to the Agency within two weeks of the publication of this notice. A copy of the Waste Licence Application and EIS and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application will, as soon as is practicable after receipt by the Agency, be available for inspection or purchase, at the Headquarters of the Environmental Protection Agency, Johnstown Castle Estate, Wexford.
