Monaghan County Council

“APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE WATER DISCHARGE LICENCE”

In accordance with the requirements of the Waste Water Discharge (Authorisation) Regulations 2007 (S.I. No. 684 of 2007), Monaghan County Council, The Glen, Monaghan, intends to apply to the EPA for a Waste Water Discharge Licence for the Castleblayney Wastewater Treatment Plant and associated sewer network.

Castleblayney Wastewater Treatment Plant is a biological treatment plant, used for the treatment of municipal wastewater conveyed in the foul sewer network serving the agglomerations of Castleblayney and its environs.

Castleblayney Wastewater Treatment Plant is located at Muckno Street, Castleblayney, Co. Monaghan, National Grid Reference: E282914, N319951

Primary Discharge

PSW1 The associated Primary Discharge location from the wastewater treatment plant is located at Muckno Street, Castleblayney, Co. Monaghan, National Grid Reference: E283041, N319961

Storm Water Discharge

SW2 The associated discharge location from the stormwater overflow is located at Lakeview, Castleblayney, Co. Monaghan, National Grid Reference: E282879, N320154

A copy of the application for a waste water discharge licence, and any such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application, shall, as soon as is practicable after receipt by the Agency, be available for inspection or purchase at the headquarters of the Agency and at: Monaghan County Council, The Glen, Monaghan.

Submissions in relation to this application may be made to the Agency at its headquarters. In this regard any person or body who wishes to make a written submission can do so after the 22nd September 2008 to the EPA Headquarters, PO Box 3000, Johnstown Castle Estate, Co. Wexford in relation to:

- the application
- such plans, maps, reports, documents and other information and particulars, as are submitted by the applicant in accordance with SI 684 of 2007

MONAGHAN COUNTY COUNCIL

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE WATER DISCHARGE LICENCE FOR CASTLEBLAYNEY WASTEWATER TREATMENT WORKS

In accordance with the requirements of the Waste Water Discharge (Authorisation) Regulations 2007 (S.I. No. 684 of 2007), Monaghan County Council, The Glen, Monaghan intends to apply to the EPA for a Waste Water Discharge Licence for Castleblayney Wastewater Treatment Works.

Castleblayney Wastewater Treatment Works is a biological treatment plant, used for the treatment of municipal wastewater conveyed in the foul sewer network serving the agglomeration of Castleblayney and its environs. Castleblayney Wastewater Treatment Works is located at Muckno Street, Castleblayney, Co.Monaghan, National Grid Reference: E282914, N319951. It has a number of associated discharge points on the sewer network collection system as will be indicated on the documents submitted as part of this application.

As soon as is practicable after receipt by the Agency, the application and such further information relating to the application, as may be furnished to the Agency in the course of the Agency's consideration of the application, will be made available for inspection or purchase from the EPA Headquarters and at the Water Section, Monaghan County Council, The Glen, Monaghan.

Any person or body who wishes to make a written submission can do so on or after 22nd September 2008 to the EPA Headquarters; PO Box 3000, Johnstown Castle Estate. Co. Wexford in relation to:

- The application
- Such plans, maps, reports, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Regulations 14(7), 16, 17, 18(3)(b) and 20.

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE WATER DISCHARGE LICENCE FOR BALLYBAY WASTEWATER TREATMENT WORKS

In accordance with the requirements of the Waste Water Discharge (Authorisation) Regulations 2007 (S.I. No. 684 of 2007), Monaghan County Council, The Glen, Monaghan intends to apply to the EPA for a Waste Water Discharge Licence for Ballybay Wastewater Treatment Works.

Ballybay Wastewater Treatment Works is a biological treatment plant, used for the treatment of municipal wastewater conveyed in the foul sewer network serving the agglomeration of Ballybay and its environs. Ballybay Wastewater Treatment Works is located at Meeting House Lane, Ballybay, Co.Monaghan, National Grid Reference: E271583, N320338. It has a number of associated discharge points on the sewer network collection system as will be indicated on the documents submitted as part of this application.

As soon as is practicable after receipt by the Agency, the application and such further information relating to the application, as may be furnished to the Agency in the course of the Agency's consideration of the application, will be made available for inspection or purchase from the EPA Headquarters and at the Water Section, Monaghan County Council, The Glen, Monaghan.

Any person or body who wishes to make a written submission can do so on or after 22nd September 2008 to the EPA Headquarters; PO Box 3000, Johnstown Castle Estate. Co. Wexford in relation to:

- The application
- Such plans, maps, reports, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Regulations 14(7), 16, 17, 18(3)(b) and 20.

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE WATER DISCHARGE LICENCE FOR CLONES WASTEWATER TREATMENT WORKS

In accordance with the requirements of the Waste Water Discharge (Authorisation) Regulations 2007 (S.I. No. 684 of 2007), Monaghan County Council, The Glen, Monaghan intends to apply to the EPA for a Waste Water Discharge Licence for Clones Wastewater Treatment Works.

Clones Wastewater Treatment Works is a biological treatment plant, used for the treatment of municipal wastewater conveyed in the foul sewer network serving the agglomeration of Clones and its environs. Clones Wastewater Treatment Works is located at Scotshouse Road, Clones, Co.Monaghan, National Grid Reference: E250603, N325330. It has a number of associated discharge points on the sewer network collection system as will be indicated on the documents submitted as part of this application.

As soon as is practicable after receipt by the Agency, the application and such further information relating to the application, as may be furnished to the Agency in the course of the Agency's consideration of the application, will be made available for inspection or purchase from the EPA Headquarters and at the Water Section, Monaghan County Council, The Glen, Monaghan.

Any person or body who wishes to make a written submission can do so on or after 22nd September 2008 to the EPA Headquarters; PO Box 3000, Johnstown Castle Estate. Co. Wexford in relation to:

- The application
- Such plans, maps, reports, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Regulations 14(7), 16, 17, 18(3)(b) and 20.
