Re: Waste Water Discharge (Authorisation) Regulations 2007, SI No 684 of 2007.

Dear Sirs,

I refer to the above regulations and the requirement for local authorities to make an application for a discharge licence to your office for all discharges for agglomerations with a population equivalent of 2,001 to 10,000 by the 22nd September 2008.

I regret to inform you that Monaghan County Council is unable to make a formal application within the prescribed deadline. However, Monaghan County Council is currently working to accumulate the required data to formally make an application in respect of the following treatment plants within the immediate future;

- Clones Waste Water Treatment Plant, Legarhill, Clones.
- Castleblayney Waste Water Treatment Plant, Drumillard Little, Castleblayney.
- Ballybay Waste Water treatment Plant, Cornmucklasglass, Ballybay.

For further information regarding the above feel free to contact me.

Best Regards

David Fallon
