RE: REQUEST FOR REVIEW OF IPC LICENCE REG NO P0467-01

Dear Sir/Madam

On behalf of my client Mr Tim Cullinan, of Woodville, Ballymackey, Nenagh, Co Tipperary, I herein request permission to review the existing IPC Licence for the facility located at the same address (IPC Reg P0467-01) following discussions with Agency personnel.

The purpose of this review is to incorporate an associated pig fattening facility at **Ballyknockane, Ballymackey, Nenagh, Co Tipperary**, which is directly associated with the existing breeding unit governed by the existing IPC License. Jointly these two facilities are fully integrated.

This review is also required for the proposed development of an Anaerobic Digester to be located between the two associated pig farms at **Ballaghveny, Ballymackey, Nenagh, Co Tipperary**.

These two facilities have been the subject of recent planning applications to North Tipperary County Council (**REF 07/51/0106 and REF 07/51/0108**) respectively.

The new pig buildings proposed to replace the old pig fattening houses will incorporate features to reduce environmental impacts, such as shallow storage tanks, fully enclosed passageways, and leak detection systems, while at the same time providing additional floor space for pigs to comply with welfare regulations.

In accordance with Article 15 of the Licensing Regulations (SI 85 of 1994), I herein request permission to review the existing IPC Licence for this facility (Reg No P0467-01), to incorporate the developments outlined above. I would be obliged if you would deal with this matter at the earliest opportunity. I Attach fee of 126 Euro as required.

YOURS SINCERELY

MICHAEL SWEENEY
