Re: Withdrawal of a request for a review of the existing Waste Licence Reg. No. W0020-01 for Scotch Corner Landfill, Letterbane, Annyalla, Castleblaney, Co Monaghan.

Dear Mr Duffy

I am to refer to your application for a review of the existing Waste Licence Reg. No. W0020-01 received by the Agency on 18th September 2007 and a likelihood of withdrawal of this application expressed during a phone conversation with Dr. Jonathan Derham from the EPA Office of the Climate, Licensing & Resource Use on the 21st November 2008.

If you wish to proceed with the withdrawal of your application, please submit a request to the Agency in order to do so. Note that there should be a substantial refund possible in respect of the fee submitted to the EPA together with the review application, as only a modest effort in relation to the application has been expended on the Agency's part to date. A formal request in relation to the latter will have to be made.

Should you have any queries, please contact me at EPA Headquarters on 053- 9160662.

Yours sincerely,

Ewa Babiarczyk
