**Re: Proposal by Oxygen Environmental Ltd. for the development of Corranure Landfill,
Cootehill Rd. Cavan**

Dear Sir/Madam,

Cavan County Council are the licenced operators of Corranure Landfill under EPA Licence Register No. WL077-02. Oxygen Environmental Ltd. have commenced operation of Corranure Landfill and Civic Amenity Site under a contractual operational agreement with Cavan County Council.

Please be advised that Oxygen Environmental Ltd. intends to apply to An Bord Pleanála under the Planning and Development (Strategic Infrastructure) Act 2006 for the following development under Ref PLO2.PC0061:

The development of the Corranure Integrated Waste Management Facility, at Corranure Landfill, Corranure, Co. Cavan.

Oxygen Environmental Ltd. (OEL) propose to develop an integrated waste management facility adjacent to Corranure Landfill on land currently owned by Cavan County Council but subject to a sale agreement if certain consents are obtained.

In summary OEL intend to undertake the following activities at the proposed facility:

- Operation of existing civic amenity site
- Construction and operation of a dry recyclables recovery facility processing approx 15,000 tonnes per annum

- Construction and operation of a construction and demolition waste recovery facility processing 255,000 tonnes per annum.
- Construction and operation of a biowaste treatment facility, green waste/timber intake facility and shredding processing 65,000 tonnes per annum.
- Provision of all ancillary infrastructure two weighbridges, site drainage, stormwater control, site fencing, environmental abatement and all other required ancillary infrastructure.

The proposed development comes under the following classification of the Seventh Schedule of the Planning and Development (Strategic Infrastructure) Act 2006:

"Environmental Infrastructure

3. Development comprising or for the purposes of any of the following:

—An installation for the disposal, treatment or recovery of waste with a capacity for an annual intake greater than 100,000 tonnes."

This application will be accompanied by an Environmental Impact Statement and will be submitted to An Bord Pleanála in respect of the above proposed development. We are in the process of preparing that EIS and

Oxigen Environmental Ltd. would be grateful if you could provide any information relevant to the proposed development that you hold and/or highlight any issues that you feel should be addressed in the EIS.

Please forward any correspondence to Oxigen Environmental Ltd. Corranure Landfill, Cootehill Road, Cavan within three weeks of this date.

Thanking you in anticipation of your co-operation in this matter.

Yours Faithfully,

Ms. Joan Harrington
Environmental Officer
For and on behalf of
