re: Request for Technical Amendment of date of report submission

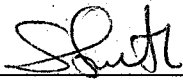

Dear Mr Burke

I refer to your letter received by the Agency on 01 February 2007 in relation to a request for a Technical Amendment to alter the date for submission of reports. I have passed your request to your OEE Inspector for consideration under your existing licence and in particular Condition 2.8 and Schedule D.

Please note that in the first instance any amendments to your licence conditions, monitoring, notification or reporting should be addressed to OEE who will then advise you, *in writing*, as to whether you need to apply to the Licensing Unit for consideration of a Technical Amendment, Review or licence application.

Please direct all correspondence in relation to this matter to *Brendan Foley, OEE Inspector* quoting the register number.

Yours sincerely,

PP Marie O'Connor
Senior Inspector
Office of Licensing & Guidance
