

**SITE NOTICE**  
**APPLICATION TO THE ENVIRONMENTAL  
PROTECTION AGENCY FOR A WASTE LICENCE**

**CHI ENVIRONMENTAL LTD, GRANNAGH, KILMACOW, CO KILKENNY** intends to apply to the Environmental Protection Agency for a waste licence for the continued operation of its existing waste facility on lands at Grannagh, Kilmacow, Co Kilkenny (National Grid Reference 5216N, 0709W) the waste licence provides for:

- (i) Use of Approximately 1.2 million tons of imported inert natural materials, principally excess soil, stones and broken and/ or broken rock to backfill and restore a large existing void created by rock extraction.
- (ii) Recovery of approximately 700,000 tonnes of imported inert construction materials ( including stones, granular fill, concrete, blocks, bricks and ceramic tiles) using crushing and screening equipment to generate secondary ( recycled) aggregate.
- (iii) Separation of any non-inert construction and demolition waste unintentionally imported to the site prior to the removal off-site to appropriately licensed waste disposal or recovery facilities
- (iv) Use secondary aggregate to construct internal haul roads within the application site and to backfill existing ground water ponds
- (v) Export of secondary aggregate off-site for re-use by others.
- (vi) Phased restoration of the backfilled void (including the placement of cover soils and seeding) and return to former use as agricultural grassland.
- (vii) Temporary stockpiling of topsoil and subsoil pending re-use as cover material for phased restoration of the site
- (viii) Environmental monitoring of noise, dust, surface water and ground water for the duration of the restoration works

The principal activity is Class 4 of the Fourth Schedule (recycling or reclamation of inorganic materials). Other activities included Class 13 of the Fourth Schedule (temporary storage pending recycling or reclamation) and Class 2 of the Fourth Schedule-Recycling and reclamation of organic substances which are not used as solvents (including composting and other biological processes)

A copy of the Waste Licence Application, and further information relating to the Application that may be furnished to the Agency in the course of its consideration of the application will, as soon as practicable

after receipt by the agency, be available for the inspection or purchase at the headquarters of the Agency.
