**WASTE LICENCE APPLICATION
HI-VOLT IRELAND LIMITED**

Dear Dr. Creed,

Please find enclosed is a Waste Licence Application (WLA) that has been prepared to comply with the Waste Management (Licensing) Regulations 2004 (SI No. 395 of 2004). The WLA has been prepared by Golder Associates Ireland Limited on behalf of Hi-Volt Ireland Limited, Ballyduff, Thurles, Co. Tipperary.

Please find the following enclosed:

- Application Form and associated attachments and figures (signed original);
- Application Form and associated attachments and figures (copy); and
- CD-Rom (2) containing Application Form and associated attachments and figures, (i.e. is a true copy of the original application form).

Hi-Volt have an established business recovering waste batteries within Ireland, however due to the change in the waste permit regulations (SI 821, 2007 as amended by S.I 86, 2008) and further to a pre-application meeting at the EPA Headquarters in Wexford on 9th Jan 2009, Hi-Volt have made this application for a Waste Licence for the facility at Ballyduff, Thurles, Co. Tipperary.

Should you require an further information please do not hesitate to contact the undersigned.

Yours sincerely,
GOLDER ASSOCIATES IRELAND LIMITED
