Re: Carranstown Waste Management Facility

Dear Mr. Jones,

I am to refer to your correspondence of 20th December 2007 regarding changes to planned operations at the Carranstown Waste Management Facility (Waste Licence Reg. W0167-01).

The Agency has examined the documentation and recommends that the requested changes be addressed by means of a review of the existing waste licence under Section 46(1)(b) of the Waste Management Acts 1996 to 2007.

Please complete the waste licensing application form (available to download at www.epa.ie) as necessary, to reflect the nature of the proposed facility and identifying the changes compared with the licensed facility. The review application should be accompanied by the appropriate fee, in accordance with Article 41 of the Waste Management (Licensing) Regulations 2004. Guidance on the structure, format and number of copies required for waste licence applications is also available on our website.

Please direct all correspondence in relation to this matter to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, PO Box 3000, Johnstown Castle Estate, Co. Wexford.*

Yours sincerely,

Aoife Loughnane
Inspector
Office of Climate, Licensing & Resource Use
