**Re: Wastewater Discharge Licence Application for the Youghal Agglomeration –
submitted 22nd September 2008.
EPA Reg No. DO139-01**

To whom it may concern

I refer to the above application

The application was inadvertently submitted in the incorrect category.

All relevant aspects of the application have been prepared using a population equivalent figure of greater than 10000 and therefore the application should have been submitted in December 2007.

The fee for an application in the >10000 category is €30,000.00.

A fee of €25,000.00 was submitted with the Youghal application last September.

I enclose a cheque for €5,000.00 and I apologise for any inconvenience caused.

Yours Sincerely

Patricia Power
Director of Services
Area Operations South
