Dear Ms Larkin

I am to refer to your telephone conversation of earlier today with my colleague, Frank Clinton.

I am to advise that Mr David Hammerstein Mintz, MEP European Parliament, has received all correspondence in relation to the re-opening of the Oral Hearing including all submissions received on the Hydrogeological Risk Assessment Report. This letter is available to view on our website.

I am also to advise that no decision has yet been made by the Chair as to whether the attendance of GSI will be required. As you are aware, Ms Natalya Hunter Williams, GSI, submitted observations on the Hydrogeological Risk Assessment Report (Submission No. 9), which have been sent to sent to you and is also available to view on our website.

I trust this is of some assistance to you.

Kind Regards
