Re: Technical Amendment Request W0115-01 – Soltec Ireland Limited

Dear Mr. Corcoran,

I acknowledge receipt of your letter regarding the above, which was received by the Agency on 23rd February 2009.

Your request for a technical amendment of your licence has been assessed.

I am to advise you that the requested technical amendment has been refused. It is considered that a licence review would be required in order to assess the activity, and to classify and determine an appropriate schedule.

I also advise, that should you intend to proceed with the proposed new activity you should seek a review of Waste Licence Register No. W0115-01 under the Waste Management Acts 1996 to 2008.

Yours sincerely,

Tracey Berney
