Re: Notice of extension of period for consideration of objection to the proposed determination on a review of an IPPC licence application by Waterford Plating Company Limited located at Unit 605/606/655, Northern Industrial Estate, Old Kilmeadan Road, Waterford.

Dear Mr. Roche

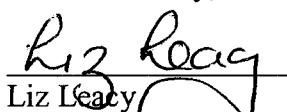

I refer to the objection to the Agency's proposed determination on the above referenced review of an IPPC licence application.

I am to notify you in accordance with the provisions of Article 40(1) of the Environmental Protection Agency (Licensing) Regulations, 1994 to 2008 that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objection before **24th June 2009**.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,

Liz Leacy

Programme Officer

Office of Climate, Licensing & Resource Use
