Re: Notification pursuant to Article 16(2) of the Waste Management (Licensing) Regulations, in respect of a Waste Licence application for Molaisin Compost Limited at Kilmolash, Cappoquin, Co. Waterford

Dear Ms O'Sullivan

I am to refer to the above referenced waste licence application and to further information submitted in response to Agency notices of 7 November 2008.

I am to advise that the Agency considers that the said further information contains significant additional data in relation to the effects on the environment of development which comprises or is for the purposes of the *waste recovery activity*, to which the application relates.

Accordingly, pursuant to Article 16(2) of the relevant Waste Management (Licensing) Regulations, the Agency requires you to publish a notice in the form specified below in a newspaper circulating in the district in which the said activity is carried on or would be carried on. The newspaper should be the same one used by you to publish the notice under Article 5 of the Regulations.

The required notice shall be published within a minimum of 2 weeks of the date of this notification, on a day which is not a Saturday a Sunday or a public holiday.

Required Form of Notice:

The notice shall contain as a heading: WASTE MANAGEMENT (LICENSING) REGULATIONS, - APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCEREGISTER NO. W0245-01 and shall contain the following information :

- a) that (name and address of the applicant) have made an application for a waste licence to the Agency in respect of a (type of facility) at (location or postal address of facility concerned);

- b) that an environmental impact statement in respect of development which is proposed to be carried out at the facility has been submitted to the Agency as part of the waste licence application;
- c) that the Agency has informed you that it considers that further information which you have submitted to it in reply to Agency notices contains significant additional data in relation to the effects on the environment of development which comprises or is for the purposes of the waste disposal and waste recovery activities to which the application relates
- d) that the application, the EIS and the further information etc. are available for viewing on the Agency's website at www.epa.ie.
- e) that any person may make a submission in writing about the application to the Environmental Protection Agency, PO Box 3000, Johnstown Castle Estate, County Wexford within a one month period as provided in the Regulations.

The Agency further requires you to submit the following items in relation to compliance with the above requirements:

1. On the day prior to the publication of the notice, a facsimile message stating the name and date of publication of the newspaper in which the notice is to be published;
2. On the date of publication of the notice, a facsimile copy of an extract from the relevant newspaper containing the notice as published;
3. Within five days of publication of the required notice, an original of the newspaper and four copies of the relevant page of the newspaper in which the notice was published.

Yours sincerely,

PP Dr. Tom McLoughlin
