1. INTRODUCTION

Further to a review application for existing waste licence W0104-01 regarding operations at the AES Ireland Ltd. waste management facility at Cappincur, Tullamore, Co. Offaly, the Agency has requested, in accordance with Article 14(2)(b)(ii), that the following information be provided;

Article 12 Compliance Requirements

- Provide a copy of the agreement in place between AES and the relevant Water Services Authority for the acceptance of waste water generated at the facility. This information must specify the waste water treatment plants(s) being utilised for the purpose of final treatment and disposal

The applicant's response is provided in the following sections.

*For inspection purposes only.
Consent of copyright owner required for any other use.*

2. APPLICANT RESPONSE

The applicant proposes to enter into an annual contract with Accelerated Drain Cleaning Ltd. (www.accelerated.ie) to undertake the emptying and disposal of the leachate/effluent holding tank, as proposed in the licence review application.

Section 3 of this document contains a copy of the quotation received by AES Ireland Ltd. for the provision of this service.

AES Ireland Ltd. can confirm that they will engage Accelerated Drain Cleaning Ltd. to undertake this service, pending approvals from the Agency and Offaly County Council planning authority.

In addition, Section 4 contains a copy of a removal certificate for the services that will be provided by Accelerated Drain Cleaning Ltd.

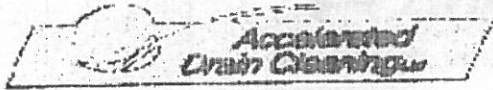

The waste collection permit under which the service will be provided is identified, as is the location for the treatment of leachate/effluent collected from the AES Tullamore facility i.e. Osbertown Sewage Treatment Plant, Naas, Co. Kildare.

The applicant trusts that this response is to the satisfaction of the Agency.
