Reg No: W0136-02

Dear Mr Dowling

I refer to your letter of 18<sup>th</sup> February 2009 received by the Agency on 19<sup>th</sup> February 2009 in respect of your existing licence.

The Agency has considered your request for a Technical Amendment to your existing licence Register no. W0136-02

I am to advise you that the Agency cannot accede to your request for a technical amendment. The proposed changes would more appropriately be assessed as part of a licence review. Should you wish to proceed with the proposed changes please complete the waste licensing application form (available to download at [www.epa.ie](http://www.epa.ie)) as necessary, to reflect the nature of the proposed facility and identifying the changes compared with the licensed facility. The review application should be accompanied by the appropriate fee, in accordance with Section 46 of the Waste Management Acts, 1996 to 2008. Guidance on the structure, format and number of copies required for waste licence applications is also available on our website.

Please direct all correspondence in relation to this matter to Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, PO Box 3000, Johnstown Castle Estate, Co. Wexford.

Yours sincerely,

Aishling Kehoe  
Programme Officer  
Office of Climate, Licensing & Resource Use
