Re: Notice of extension of period for consideration of objections to the proposed decision on a waste licence application by Fingal County Council in respect of a facility at Fingal Landfill, Nevitt, County Dublin.

Dear Mr Howell,

I refer to the objections to the Agency's proposed decision on the above referenced waste licence application.

I am to notify you in accordance with the provisions of Article 33(1) of the Regulations, that it will not be possible to carry out the procedures for the consideration of the objections within the period specified in the Regulations in light of the fact that the Oral Hearing recently re-opened to give consideration to further information relating to a quantitative risk assessment received from the Applicant on 17th February 2009, and all submissions received in relation to same at the reconvened Oral Hearing.

Having regard to the above, I am to advise that the Agency intends to complete the consideration of the objections before 26th October 2009.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely

Noeleen Keavey
