Dear Mr. Wilkes,

In May 2009, the EPA commenced a review process that will eventually encompass all waste licences issued for landfill activities. As a consequence, Knockharley Landfill will be reviewed under this process as notified to the Director of Services on 18th June 2009. The numbering system for Waste licence review application for your facility at Knockharley has changed, effective immediately.

The purpose of this letter is to inform you of the change in the number assigned to that review application in the Waste Register so that you can continue to be fully involved and informed of the progress of the review application. Details of the changes are as follows:-

	W0146-02	W0146-03	Review Application recd 24 th Dec 2008

The new Waste Register No. will be used by the Agency in all future correspondence and information notifications. You are therefore advised to note the change and to quote the new Waste Reg. No. in all future correspondence with the Agency.
