14<sup>th</sup> July 2009

Dear Mr Noonan,

I refer to your letter dated 9<sup>th</sup> July 2009 in relation to your clients, Bottlehill Environmental Alliance, and Cork County Council's request for a technical amendment to Waste Licence Register No W0161-01, Bottlehill Landfill.

I can confirm that we have received a request for a technical amendment, but that no decision has been made as to whether the request will be dealt with by technical amendment or whether a licence review is appropriate.

If you or your clients wish to make a submission on the matter before the Agency makes this preliminary decision, I would ask that you do so without delay so that a timely response can be made to Cork County Council. In order not to unduly delay the process, I would be obliged if you would let me know if you wish to make a submission and when the Agency might expect to receive it.

Yours sincerely,

Mr. Brian Meaney  
Senior Scientific Officer

Office of Climate, Licensing & Resource Use
