Ms Kehoe,

Please find attached South Dublin County Council's submission under the review of waste licence W0004-03 for Arthurstown landfill. The submission makes reference to 4 appendices which contain previous correspondence between the Council and the Agency, and to some drawings and reports previously submitted by the Council. Unfortunately it has not been possible to append these to this electronic submission, however they will accompany a hard copy of the submission to follow in the post.

Leo Magee,  
Senior Engineer.
