Re: Donohill Landfill W074-02 Notice to review licence

Dear Mr. Meaney,

Donohill landfill has been in operation for over 20 years and as a result contains lined and unlined cells. The landfill will reach full capacity in approximately 2 ½ years time. The Council request that this be taken into account when reviewing the licence and deciding to amend the waste licence for the site.

Yours sincerely,

Anne Peters,
Executive Engineer,
Environment.
