Reg. No. W249-01

Dear Mr. Beasley

I refer to your application for a waste licence, received by the Agency on 17th October 2008, in respect of a proposed composting facility located at Ballybeg, Littleton, Co. Tipperary.

As you are aware, your application for a waste licence is in respect of both recovery and disposal, as outlined in your Application Form. Therefore, two fees were payable in respect of the two substantial activities, in accordance with the Second Schedule to the Waste Management (Licensing) Regulations 2004.

It is noted that you only submitted a fee in respect of the "Recovery" activity. Therefore in order for the Agency to fully process your application, you must submit a fee of €10,000 in respect of the "Disposal" activity. The fee should be received by the Agency no later than Friday 7th August 2009.

Yours sincerely

Dr. Tom McLoughlin
