You are therefore requested, in accordance with Regulation 20(1)(a) of the regulations, to take the following steps to supply the information detailed below:

ARTICLE 16 COMPLIANCE REQUIREMENTS

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.
