Subject: Waste quantity at Donohill Landfill

Caroline,

I estimate that 133,570m³ of waste has been filled onsite since the issue of our waste license on 05th June 2002. I estimate that the final volume of waste to be filled over the authorized life of the facility will be 159,836m³.

If you've any queries on the above please let me know.

Regards,

Louise Ryan
