RE: Derrinnumera Landfill [Ref. No. W0021-02]

Dear Ms. O'Connor,

I refer to our recent discussions on the above waste license application.

I feel that it would be useful if we could have a meeting with the Inspector dealing with the application so that we could update your Agency on the current status of the project which is the subject of the application. The meeting would be attended by Mr. Brian O'Reilly, Senior Engineer, a representative from Tobin Consulting Engineer and the writer. I will be on annual leave for the remainder of September but we would be willing to travel to Cork on any date that would suit you after the 5th October 2009.

If you are agreeable to the meeting, I would be grateful if you would contact Breda Hyland on 094-9047421 with suitable dates.

Yours sincerely,

Director of Services & Co. Engineer
