Dear Mr Gleeson

re : Waste Permit

I am to refer to the above referenced application for a waste licence and the letter from Ms Mulhall in relation to the applicability of your Waste Permit.

It is my understanding that your Waste Permit remains valid until such time as the Agency makes a decision to either grant or refuse a waste licence under article 34 of the Waste Management (Licensing) Regulations 2004. As such you are required to comply with the requirements of the waste permit and any reporting/monitoring stipulated in it including adherence to the limitations on waste acceptance, quality and quantities. The Competent Authority for your permit is the Local Authority and you should contact them for further information if required.

If you have any further queries on this please contact me or Ms Orla Harrington on 021 4875540.

To ensure that all correspondence is dealt with correctly by the Agency I would ask you to review Section B of your application and send any amendments/updates to the section.

Please supply the information in the form of one original plus two copies. In addition submit a copy of the requested information to the Agency in electronic searchable PDF format on CD-ROM.

Please direct all correspondence in relation to this matter to Administration, Licensing Unit, Office of Climate Change, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford quoting the register number.

Yours sincerely,

PP **Marie O'Connor**
Senior Inspector
Office of Climate Change, Licensing & Resource Use
