ENVIRONMENTAL LICENSING PROGRAMME MEMORANDUM

TO: LAURA BURKE, DIRECTOR

FROM: Yvonne Furlong

DATE: 11th November 2009

RE: Clerical Amendment to Licence Register Number W0077-02, held by Cavan County Council, for Corranure Landfill, Cootehill Road, Cavan.

Cavan County Council (CCC) was first granted a Waste Licence by the Environmental Protection Agency on the 12th June 2001, bearing Reg. No. W0077-01. This licence was the subject of a review and a reviewed licence (W0077-02) was issued on 10th May 2005. W0077-02 was subsequently subject to two amendments, firstly a Desktop Amendment ('Amendment A') on the 28th October 2005 and a Technical Amendment ('Amendment B') on the 16th July 2007.

'Amendment B' was issued following a request from Cavan County Council to facilitate an amendment to the boundary of their landfill facility to accommodate a new section to an internal access road to be used in cell filling and restoration.

The purpose of this Amendment ('Amendment C') is to rectify a clerical error on the front page of 'Amendment B'. The error that occurred refers to 'Technical Amendment B' as a 'Recommended Technical Amendment B to Waste Licence'.

Recommendation:

I recommend that the licence amendment be approved as set out in the attached recommended Clerical Amendment. Such an amendment does not result in the relevant requirements of Section 40(4) of the Waste Management Acts 1996 to 2008 ceasing to be satisfied.

Signed

Yvonne Furlong
