Reg No: W0136-02

Dear Mr Dowling,

I refer to your letter of 8th October 2009 received by the Agency on 9th October 2009 in respect of your existing licence.

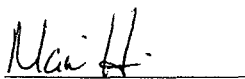

The Agency has considered your request for a Technical Amendment to your existing licence Register no. W0136-02.

I am to advise that the Agency has refused your request for a technical amendment, as the proposed changes would more appropriately be assessed as part of a licence review.

I also advise, that should you intend to proceed with the proposed changes you should seek a review of Waste Licence Register No. W0136-02, under the Waste Management Acts, 1996 to 2008.

If you have any further queries please contact Siobhán McDonnell at telephone no. 021-4875540.

Yours sincerely,

Marie Harris
