**Re: Waste Licence Application W0250-01 – Kerry Central Recycling Facility Ltd.**

Dear Sir/Madam,

We refer to Waste Licence Application W0250-01 which was submitted to the Agency on the 11<sup>th</sup> November 2008 on behalf of Kerry Central Recycling Facility Ltd. in respect of the proposed development of a Materials Recovery Facility and associated infrastructure at Scart, Caherdean, Killarney, Co. Kerry. This application was the subject of an Article 14 notice. A response to this notice was issued to the Agency on the 7<sup>th</sup> July 2009 on behalf of Kerry Central Recycling Facility Ltd.

Since the waste licence application was submitted to the Agency, the planning application for the proposed development has been refused by Kerry County Council. Kerry Central Recycling Facility Ltd. is currently in the process of submitting a new planning application to Kerry County Council in respect of the proposed development and it is anticipated that this process will take a number of months to complete.

On this basis, we wish to request on behalf of Kerry Central Recycling Facility Ltd. that the Agency defer a decision on Waste Licence Application W0250-01 until such time as Kerry Central Recycling Facility Ltd. is in a position to provide final project details and information as required to the Agency.

Yours sincerely,
