Re: W0167-02 Carranstown Waste Management Facility

Dear Aoife,

Please find herein our response to Articles 12 and 13 compliance as per your letter of the 26th June 2009. Also included are copies of the revised EIS from 2009. All submissions are included as:

- 1 signed original plus 1 copy
- 16 copies in electronic searchable format on CD-ROM

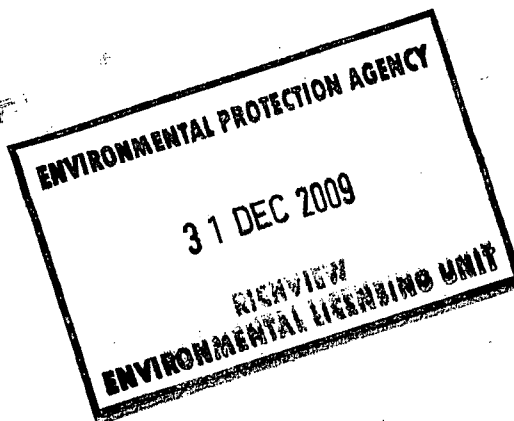

Indaver Ireland confirms that the content of the electronic files on the accompanying CD-ROMs are a true copy of the original application form.

Also attached, in line with Item 5(d) of the Article 12 Compliance Requirements, is an electronic copy of all files used in the revised air dispersion model (input, output, etc).

If you have any queries relating to these submissions, please do not hesitate to contact me on 01 271 8702.

Yours sincerely,

Claire Downey
Project Coordinator
