Re: Notice of extension of period for consideration of objections to the proposed decision on a waste licence application by Fingal County Council in respect of a facility at Fingal Landfill, Nevitt, County Dublin.

Dear Mr De Faoite,

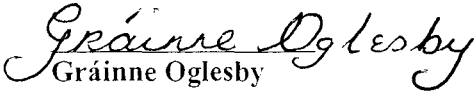

I refer to the objections to the Agency's proposed decision on the above referenced waste licence application.

I am to notify you in accordance with the provisions of Article 33(1) of the Regulations, that it will not be possible to carry out the procedures for the consideration of the objections within the period specified in the Regulations. Therefore it is necessary to extend this period to finalise and complete the consideration of further information received from the Applicant relating to a quantitative risk assessment, and all submissions received in relation to same at the reconvened Oral Hearing

I am also to advise that the Agency intends to complete the consideration of the objections before 26th June 2010.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely
