Re: Register No. P0395-02 – Transfer

Dear Ms. Leacy,

Further to the Agency correspondence of 02 February 2010 regarding the application for transfer of an IPPC Licence in respect of AHP Manufacturing B.V. T/A Wyeth Nutritionals Ireland, Askeaton, County Limerick – Reg. No. P0395-02, the following update is provided by Wyeth Nutritionals Ireland (WNI).

Further to the telephone discussion of 19 January 2010 between Wyeth representatives (Dr. Michael Donlon and Dr. Edward Molyneux) and Agency Inspector Mr. Gavin Clabby, and Wyeth email correspondence of 25 January 2010 to Mr. Gavin Clabby, Pfizer Corporate have indicated that the organizational details of the proposed transferee, included as part of the Transfer of Licence submissions of 16 December 2009 for Licence register No. P0395-02, have not yet been finalised. Based on our most current and best information, it is anticipated that this information and the date of transfer will be available by the end of March, with the final legal consummation to occur a short time thereafter. Although this is subject to change, once these details are known WNI will notify the Agency immediately. In the meantime, we appreciate the Agency postponing taking final action on the transfer application until that time.

Trusting this is to the satisfaction of the Agency. Should you, however, have any queries please don't hesitate in contacting me.

Yours sincerely,

A handwritten signature in black ink that reads "Brian Shiel".
