To The Environmental Protection Agency,

Dear Sir,

Regarding application for waste licence **Reference No. W0274 -01 for ADPower Roscommon Ltd**, for proposed facility at Ballinphuill, Tibohine, Castlerea Co Roscommon; I would like to object very strongly on the following grounds, my property is situated on the N5 opposite the turning for Ballinphuill. I am very concerned about the volume of Lorries turning outside my house to access the road to Ballinphuill; also as this is the main route from Dublin to Mayo the volume of traffic is bad enough without any extra Lorries using it. Over the past three years there have been a number of accidents on this road due to the bad bend at this particular spot.

I am also very concerned about the size of this proposed facility and the type of waste that will be treated and any odour that will come from this plant and the effect it will have on water in the area.

Yours Sincerely,

Bernard and Verone Donoghue.
