Reference: Waste Licence application No. W0274-01 ADPower Roscommon Ltd.

Dear Sir,

I wish to make a submission regarding the above application.

I am concerned that my Spring Well which is my only source of drinking water will be polluted. I am not connected to the mains water services. The drain that runs through the proposed site runs past the bottom of my field where the spring is situated.

This is a residential area and is not suitable for a large industrial plant. Tibohine National School is adjacent to the proposed site and there is the danger of the increased traffic causing accidents.

I wish to make it known that I would not be in favour of granting this waste licence.

Yours Sincerely,

Theresa Jordan.
