REASON FOR THE DECISION

Limerick County Council is satisfied, on the basis of the information available, that subject to compliance with the conditions of this permit, the activity will not cause environmental pollution and the grant of this permit is in accordance with the objectives of the Limerick/Clare/Kerry Region Waste Management Plan and the National Hazardous Waste Management Plan.

In reaching this decision, Limerick County Council has considered any information submitted as part of the review process from the permit holder, the application and supporting documentation received from the applicant and valid submissions received from the relevant local authorities and other parties.

INTERPRETATION

All terms in this permit should be interpreted in accordance with the definitions in the Waste Management Acts 1996 to 2003 (the Act), and its associated regulations.

*For inspection purposes only.
Consent of copyright owner required for any other use.*

CONDITIONS

(i) SCOPE OF PERMIT.

The permit holder may collect the wastes specified in condition 1.2 in the local authority areas of County Limerick, County Clare, County Kerry and Limerick City.

The permit holder shall only collect such wastes as have been notified in writing to Limerick County Council and subsequently agreed, which are listed in Appendix A to this permit or such later revision of the said appendix as Limerick County Council may issue

The permit holder shall notify Limerick County Council in writing of any proposed changes in the information furnished and shall obtain written approval from Limerick County Council prior to these changes occurring.

This permit and any condition imposed therein shall not relieve the permit holder of any statutory obligations under any other enactment whatsoever.

This permit is non-transferable.

*For inspection purposes only.
Consent of copyright owner required for any other use.*

2 MANAGEMENT OF THE WASTE COLLECTION ACTIVITY

- 2.1 The permit holder shall ensure that where waste collected under this permit is transferred to a facility for the purpose of a recovery or disposal activity in respect of which section 39(1) of the Act applies-
- (ii) there is in force a waste licence or a waste permit in relation to the carrying on of the activity concerned at that facility, or
 - (iii) an application for such licence or permit has been made to, and is under consideration by, the Agency or relevant local authority and the activity concerned may be lawfully carried on pending a decision in relation to the said application.
- 2.2 The permit holder may not transfer waste to a facility under condition 2.1 of this permit unless the waste activity at that facility is authorised under:
- (i) Section 39(1) of the Act, in the case of a facility subject to licensing, or
 - (ii) Article 4 of the Waste Management (Permit Regulations), 1998 in the case of an activity specified in Part I or part II of the First Schedule of the said Regulations.
- Note: An authorised waste management facility does not include a facility for which a licence/permit has been revoked or a licence/permit has not yet been granted for applications made after the prescribed date.
- 2.3 The permit holder shall only transfer waste to the facilities that have been notified in writing to Limerick County Council and subsequently agreed, which are listed in Appendix B to this permit or such later revision of the said appendix as Limerick County Council may issue and to no other facilities whatsoever.
- 2.4 If the permit holder proposes to transfer waste to facilities other than those which were previously agreed with Limerick County Council, the permit holder shall, a minimum of ten working days prior to use of these facilities, submit the following details in writing for the written agreement of Limerick County Council:
- (i) Origin of waste material.
 - (ii) Description of waste including European Waste Catalogue (EWC) code.
 - (iii) Location, ownership details, and contact number of the facility.
 - (iv) Waste permit or license details of the facility.
 - (v) Written confirmation from the operator of the facility that the said waste will be accepted there.
- 2.5 The permit holder shall carry or cause to be carried a copy of this permit at all times on each vehicle which is used for the purposes of the activity to which the permit relates.
- 2.6 The permit holder shall carry or cause to be carried a copy of the latest revision of all appendices issued by Limerick County Council at all times

on each vehicle which is used for the purposes of the activity to which the permit relates

- 2.7 The permit holder shall take steps to ensure that all, or a specified proportion of waste collected by the permit holder, or of any class or classes of such waste, is segregated, treated or recovered, in such manner as may be specified by Limerick County Council
- 2.8 Where any local authority has made bye-laws under section 35 of the Act the permit holder shall not collect waste in the functional area of the said local authority unless it has been presented in accordance with the requirements of the said bye-laws.
- 2.9 Where household or commercial waste has been segregated prior to collection in accordance with a bye-law referred to in condition 2.8 or by Regulation, or by any requirement of the Limerick/Clare/Kerry Regional Waste Management plan, the permit holder, if collecting the recyclable fraction of the waste, shall ensure that this fraction is separately collected in its entirety, kept free of contamination, and transferred to a suitable recovery facility in accordance with the said Bye-law, Regulation or Plan. Similarly biodegradable waste is required to be segregated and separately collected shall be transferred to a suitable biodegradable waste treatment facility.
- 2.10 The permit holder shall identify all hazards associated with the waste being collected, and shall be familiar with best practice regarding its safe movement and handling and shall adopt all necessary, reasonable and practicable safety measures accordingly.
- 2.11 The permit holder shall have in place a documented Emergency Response Procedure (ERP), which shall address any emergency incident that may arise. This procedure shall include for an emergency response unit, replacement vehicles, clean-up equipment, etc in order to minimise the effects of the emergency on the environment. The permit holder shall maintain a copy of the ERP at the principal place of business of the permit holder.
- 2.12 The permit holder shall ensure that all operatives employed in the waste collection activity are familiar with the conditions of this permit and the ERP.
- 2.13 The permit holder shall clean up immediately any spillage of waste, which occurs in the course of the collection operation, in a manner, which will not cause environmental pollution. The permit holder shall carry an emergency spillage kit on each vehicle listed in appendix C, at all times, to deal with minor spillages.
- 2.14 The permit holder shall not cause environmental pollution during the course of the waste collection activity to which this permit relates.

3. VEHICLES, SKIPS AND RECEPTACLES.

- 3.1 The permit holder shall only use the vehicles that have been notified in writing to Limerick County Council and subsequently agreed, which are listed in Appendix C to this permit or such later revision of the said appendix as Limerick County Council may issue, for the purposes of the activity to which this permit relates.
- 3.2 All vehicles used by the permit holder for the purposes of the activity to which this permit relates, shall be fit for purpose and maintained in accordance with the manufacturers' recommendations.
- 3.3 All vehicles used for purposes of the activity to which this permit relates shall be washed down as required in an appropriate manner and at an appropriate facility so as not to result in environmental pollution.
- 3.4 Each vehicle used for the purposes of the activity to which this permit relates and that is listed in Appendix C of this permit shall be marked with the following information in clearly legible indelible lettering at least 75 millimetres high:
- (i) Name of the permit holder;
 - (ii) Telephone number of the permit holder.

This condition does not apply in respect of the Annual Environmental Report as described in Condition 4.10.

5. CHARGES AND FINANCIAL PROVISIONS.

- 5.1 The permit holder shall pay to the relevant Local Authority:
- (i) the cost of any investigations carried out or caused to be carried out by the local authority so as to enable it properly to decide on an application, or
 - (ii) any costs incurred by the local authority for the purpose of ensuring compliance by the holder of a permit with the requirements of the said permit, including the cost of any inspections, audits or investigations carried out or caused to be carried out by the local authority, and the taking and analysis of any sample.
- 5.2 The permit holder shall effect and maintain an appropriate and adequate policy of insurance in respect of vehicles used for the purposes of, and liabilities arising from, the waste collection activity, including employer's liability and public liability as relevant.

6. CONDITIONS SPECIFIC TO WASTE TYPES

6.1 COMMERCIAL AND INDUSTRIAL WASTE

- 6.1.1 From the date of grant of this permit, the permit holder shall in accordance with condition 2.7, submit details for the written agreement of Limerick County Council for the implementation and maintenance of a separate system for kerbside collection of dry recyclables from commercial and industrial premises. Any agreed program shall be implemented immediately following the date of agreement.
- 6.1.2 Within 2 months of the provision of facilities for the treatment of the biodegradable fraction of municipal waste, the permit holder shall in accordance with condition 2.7, submit details for the written agreement of Limerick County Council for the implementation and maintenance of a separate system for kerbside collection of biodegradable waste from commercial and industrial premises. Any agreed program shall be implemented within 2 months following the date of agreement, subject to the finalization of National Strategy for the Biodegradable Waste Strategy.
- 6.1.3 Source separated waste shall not be mixed during collection.
- 6.1.4 The permit holder shall provide separate receptacles for packaging waste, which have been segregated in accordance with the Waste Management (Packaging) Regulations, 2003 or as amended.
- 6.1.5 The permit holder shall not collect packaging waste for disposal from a producer, without first receiving a written declaration as required under article 27(b) of the Waste Management (Packaging) Regulations 2003 or as amended.
- 6.1.6 The permit holder shall notify the local authority in advance, within a period of not less than one (1) month, of any proposal to alter/extend the materials for separate collection of dry recyclables under 6.1.1 above.

6.2 CONSTRUCTION AND DEMOLITION WASTE

THE PERMIT HOLDER IS NOT PERMITTED TO TRANSPORT THIS WASTE TYPE.
