Re: IPPC Licence Register No. P0395-02 – Transfer

Dear Ms. Leacy,

Regarding the application for transfer of an IPPC Licence in respect of AHP Manufacturing B.V. trading as Wyeth Nutritionals Ireland, Askeaton, Co. Limerick – Reg. No. P0395-02, the following update is provided by Wyeth Nutritionals Ireland (WNI).

Further to the telephone discussion of 1<sup>st</sup> April 2010 between Wyeth representatives (Dr. Michael Donlon and Dr. Edward Molyneaux) and Agency Inspector Mr. Gavin Clabby, Pfizer Corporate have indicated that it will not be proceeding with the transfer of IPPC Licence Register No. P0395-02 in 2010.

Although this is subject to change WNI will notify the Agency immediately of any updates and in the meantime, we appreciate the Agency putting the transfer application on hold.

Trusting this is to the satisfaction of the Agency. However, should you have any queries please do not hesitate to contact me.

Yours sincerely,
