Reg. No. P0606-03

Dear County Secretary

I am to refer to the Environmental Protection Agency Acts 1992 to 2008, and to advise that an IPPC licence review application has been lodged with the Agency by Endesa Ireland Limited (Great Island) in respect of their facility at Great Island Generating Station Campile, New Ross County Wexford, Reg. No. P0606-03.

I enclose a copy of the "Register of Licences" as provided for under Section 91 of the Environmental Protection Agency Acts 1992 to 2007. In this regard, your attention is drawn to Section 91(6) of the Acts:

*"Every entry in the register of licences relating to an activity in the functional area of a planning authority shall be notified to that planning authority by the Agency on issue of a Proposed and/or Final Determination and the planning authority shall maintain a copy of these notifications in a register which shall be made available for inspection by any person free of charge during office hours."*

You will be advised of further entries in the Register as they arise.

Your assistance and co-operation in this matter would be appreciated.

Yours sincerely,

Sonja Smith
