Re: Castleblaney Wastewater Treatment Works – Expansion of the Waste water Treatment Works at Muckno, Castleblaney, Co. Monaghan.
Your ref: 18.JA0018

Dear Sir/Madam,

I refer to correspondence received by the Agency on the 30th April 2010 from your office in relation to Castleblaney Wastewater Treatment Works and your invitation to make observations in relation to this proposed development.

Pursuant to the provisions of the Waste Water Discharge (Authorisation) Regulations, 2007 (S.I. No. 683 of 2007) the Agency has received an application from Monaghan County Council in relation to the discharges from the agglomeration of Castleblaney and environs, and is currently assessing the application. The waste water discharge licence application documentation may be viewed at www.epa.ie, under Registration Number: DO205-01.

I wish to advise that the Agency has no observations to make at this time.

Yours sincerely,

Patrick Byrne

Inspector

Office of Climate, Licensing & Resource Use
