I wish to strongly object to the Waste Licence Ref No W0274-01 at Ballinphuill, Tibohine. I live less than a kilometre from this site. I am concerned about the noise, odour dust and extra traffic. It is very difficult to get out on to the N5 from my house at the moment with the amount of traffic and this would add seriously to the problem. It is wrong that a site like this can go ahead despite the many objections from neighbours and residents. I have lived here for the past 34 years with my family and I am very upset at the turn of events that will affect us through no fault of my own. Tibohine national school is directly across the road from here and this too is a concern.

Yours truly
Eugene Beirne
