I wish to strongly object to the Waste Licence Ref No W0274-01 at Ballinphuill, Tibohine. I live less than a kilometre from this site. I have lived in this area all my life and am very concerned about the future and any family I may have and have at the moment. The road beside my house is already a thoroughfare and very dangerous with the National School close by it is a constant worry. I am also concerned about the noise and odour and also the damage it will do to the environment in the future. Please give my objection due consideration.

Yours truly
Joseph Beirne
