

***Evidence to EPA Oral Hearing
for
Fingal Landfill Facility at Nevitt, Lusk,
Waste License Proposed Decision
Registration No. WO231-01
Balbriggan, March 2008***

***Statement of Evidence by Mr. Thomas Moore
Processor and Industrial Well Owner***

- Processor less than a km from the proposed landfill
- Processing high, medium and low risk produce to Hospitals in the Dublin area, the prisons services, as well as supermarkets and restaurants.
- Business gives an income to 17 people.
- Started with one van.
- First accessed the ground water source through a 8foot well.
- Present well is tested monthly with documented results.
- If this well became contaminated the business is will be affected.
- Alternatives.

Thanking you for the opportunity to highlight the reasons why this Proposed Decision should be over turned and the effect contamination of this water source will have on my business, my livelihood, the livelihood of my employees, our quality of life and our environment.
