Sir/ Madame,

I am writing to you in relation to an application for a waste licence by ADPower Roscommon Ltd reference number W0274-01 in respect of a facility at Ballinphuill, Tibohine, Castlerea, Co. Roscommon.

As a member of this community all my life I would like to strongly emphasis my disgust at the application for such a facility. I find it hard to even understand how the development of a waste facility like this one can be given any consideration for a small rural village. Why Tibohine? There is absolutely no need for such a development on our doorstep and it is clear from the meeting I attended last Saturday that are no actual advantages for such a facility here.

Sincerely,
Martin Kerrane.
