Johnstone Castle Estate, 6, Warriston.

Re Waste Licence Application No. W1274-01

I object to the granting of above licence on  
the grounds of possible water pollution.

I base my objection on the fact that there  
is a stream which flows under the road outside  
the former Post Office premises and again flows  
under the A5 a hundred yards or so, west of  
Tubehine A.S. and continues north-westward in  
the area of the <sup>proposed</sup> waste plant. It is  
possible that some of the ground surface  
water around the waste facility may find  
its way into the stream and thence to  
Lough Gara, the source of our domestic  
and drinking water supply.

A further comment I wish to make on ADP's  
proposal is calling the proposed enterprise a "Bio-Park".  
Of course nothing in a name can effect the  
actual environment but it can project a  
distorted image. "Park" is defined as (1) "Public  
garden or recreation ground" (2) "Enclosed land of  
a country house" (3) "Parking area", the proposed  
enterprise fits none of those definitions.

"Bio-Park" signifies one of those defined above which  
contains only biological matter.

Signed - Kathleen Lewis (Chairperson) Tubehine Group.
