ENVIRONMENTAL LICENSING UNIT

11th June 2010

Re: Reg. No. P0696-01

Dear Pat,

I refer to your previous correspondence of 22nd April last regarding the review of the aforementioned I.P.P.C. Licence, and subsequent Agency correspondence of 10th June confirming the transfer of this I.P.P.C. Licence to Mr. Jim and Mark Wright.

Please be advised that we wish to commence with the review of the I.P.P.C. Licence with immediate effect. As part of this we are aware that revised newspaper and site notices are required. Arrangements have been made to have these notices published and erected on Thursday next 17th June. Copies of same will be forwarded to you thereafter.

At this juncture, Mr. Jim and Mark Wright are also making a request to the Agency for a partial waiver/refund of the application fee as it is felt that the required fee is excessive, given that an additional fee has already been paid to the Agency for the transfer of the Licence.

Should you require any additional information please do not hesitate to contact me.

Yours Sincerely,

Paraic Fay B. Agr.Sc.
