**Re: Notices in accordance with Regulation 18(3) of the Waste Discharge
(Authorisation) Regulations 2007.**

Register No. D0329-01

Dear Mr. Huskisson

I refer to the notice received for the Killeens Waste Water Discharge Licence Application on May 24th last.

The notice consists of two items. Item 1 asks that a preliminary assessment be carried out and the results to be returned to the Agency within one from issue of letter. As the letter was dated 21st May 2010 then this preliminary assessment is due back to the Agency by 21st June next.

The overall date for return of the information requested i.e. any further assessment required in Item 1 and completing Item 2, is 18th June.

Cork County Council respectfully requests an extension of time to supply this information. Due to staff shortages, summer vacations, the amount of work involved and the fact that a number of notices with the same timeframe were issued together we will not be able to gather the information requested in the timeframe given.

Therefore we respectfully ask the Agency to agree to a revised submission date for all the information requested of Thursday 30th Sept 2010.

Yours Sincerely,

Patricia Power
