Re: Application for a waste facility, reference number W0274-01 at
Ballinphuill, Tibohine, Castlerea, Co. Roscommon.

Dear Sir/Madam,

I am writing to put forward my strong opposition to the above application. I am raising concern because of the proposed site's proximity to our local National School in which approximately 50 students attend. I feel it is unfair to expect children, who are the future generations of this community, to be educated near such a facility. The noises and smells coming from such a facility will be inflicted on the youth of our community. Children should not suffer at the hands of such a development.

Sincerely,
Eugene Mearon
