Eva

I refer to our phone conversation this afternoon – i.e. between Conor Wall (CW) and Eva Babiarczyk (EB). As requested by the Applicant, please find below a record of this conversation for future reference:

- EB stated that this is a very large application to go through;
- Agency will have a few questions for the Applicant;
- Expected that these questions will not take long to answer, just to clarify certain items such as sampling locations etc.;
- EPA hopes to have this application will be finalised very soon, and that the Agency is very keen to move this along;
- EB agreed that the Article 14 notice will be issued before end of July 2010.

If you have any queries, please do not hesitate to contact me.

Kind regards

Conor
