Request for a review of I.P.C. Licence Reg. No. P0696-01

Dear Sir/Madame,

In accordance with the E.P.A. (Licensing) Regulations 1994 to 2008, we are requesting agreement from the Agency to a review of the existing I.P.C. Licence for this farm.

This review is required to take into account:

1. the proposed development on this farm, as approved by Monaghan Co. Co. under planning file ref. no. 07/993, resulting in a change in stock numbers on the farm and a change in the production process from an integrated to a breeding unit.
2. a change in the operator details from Mr. John Erskine to JMW Farms.

Please find enclosed the following information,

- The appropriate fee required for the application to the Agency to determine if a review is required i.e. €126.

It would be appreciated if the Agency could deal with this review request at your earliest possible convenience. If you require any additional information please do not hesitate to contact me.

Yours Faithfully,

Paraic Fay B.Agr.Sc.
